Subject: Prairie Island Draft SEIS

Gene,

The draft SEIS is now available for public comment. Unfortunately, I cannot send you an electronic version because it exceeds the allowable size for our system. You can get a copy from ADAMS, the accession number is: ML093170484.

The following link should take you right to the NRC public website for ADAMS:

<http://adamswebsearch.nrc.gov/scripts/securelogin.pl>
