Subject: Addition of authorized user to the license

(NOTE: This will be used as the Documents Title in ADAMS)

I called Mr. Marx regarding the addition of a physician for 35.220 use. The physician provided a letter from CBNC which stated that he had passed their exam, but that he would not be sent a certificate until he had passed his boards in cardiology. I told Mr. Marx that the physician could not be added to the license until he either received the CBNC certificate, or he submitted NRC form 313. Mr. Marx agreed to consult with the licensee regarding this, and I agreed to fax a copy of 313.

Action Required: Form 313 was faxed. Now wait for return of completed form. Must be by 12/27/09.
