Subject: Report of Generally Authorized Activities Per 10 CFR 810.7(h)

In accordance with 10 CFR 810, "Assistance to Foreign Atomic Energy Activities," Exelon Generation Company, LLC (Exelon) is providing a summary of activities generally authorized under 10 CFR 810.7(h). This report is due within 30 days of beginning the generally authorized activities. This activity began on October 13, 2009.

This report is being submitted by Exelon. Exelon is a Pennsylvania limited liability company and operates under the laws of the United States of America with an office at 4300 Winfield Road, Warrenville, Illinois, 60555.

This report describes the activities of Spain's Asociación Nuclear Ascó-Vandellós II, AIE employee Jordi Sabartes. Mr. Sabartes is a citizen of Spain. Mr. Sabartes was a participant in the Institute of Nuclear Power Operations (INPO) Plant Manager's class during a 3-day visit to Limerick Generating Station (LGS) in Pottstown, PA from October 13-15, 2009.

This report also describes the activities of Canada's Hydro-Quebec employee Patrice Desbiens. Mr. Desbiens is a citizen of Canada. Mr. Desbiens was also a participant in the same INPO Plant Manager's class during the 3-day visit to LGS in Pottstown, PA from October 13-15, 2009.

Agreements (attached) have been formed between Exelon and Spain's Asociación Nuclear Ascó-Vandellós II, AIE/Jordi Sabartes and Canada's Hydro-Quebec/Patrice Desbiens to ensure that any subsequent transfer of materials, equipment, or technology transferred under general authorization to a country listed in 10 CFR 810.8(a) shall only take place if Spain's Asociación Nuclear Ascó-Vandellós II, AIE/Jordi Sabartes and Canada's Hydro-Quebec/Patrice Desbiens obtains U.S. Department of Energy (DOE) approval.

**RE: October 13-15, 2009 Visit to Limerick Nuclear Generating Station**

Dear Mr. Sabartes,

Exelon is pleased to have you visit our Limerick Nuclear Generating Station to observe management styles in connection with a nuclear plant management course sponsored by INPO. Please review this request and provide your signature of agreement and return to Exelon prior to entry into Exelon's Limerick Station.

In the course of your proposed visit, you may have access to certain proprietary technical data concerning the design, construction, maintenance and operation of nuclear power stations. Access to such information by persons who are not citizens or lawful permanent residents of the United States or transfer of such data to persons outside the United States comes within the scope of rules, codified at 10 CFR Part 810, promulgated by the U.S. Department of Energy ("DOE") concerning Assistance to Foreign Atomic Energy Activities. Such technical data and other information within the scope of such rules are referred to as "DOE-Controlled Information."

Your proposed visit noted above does not require a specific authorization, but comes within DOE's general authorization at 10 CFR Part 810.7(h).

In order to comply with United States Department of Energy regulations set forth at 10 CFR Part 810, Exelon requests that **Asociación Nuclear Ascó-Vandellós II, AIE** agree to the following prior to the proposed visit:

1. **Asociación Nuclear Ascó-Vandellós II, AIE** warrants that it shall fully comply with those rules promulgated by the DOE concerning Assistance to Foreign Atomic Energy Activities set forth at 10 CFR Part 810, as amended from time to time. Attached is a current version of the pertinent regulations.
2. **Asociación Nuclear Ascó-Vandellós II, AIE** agrees that it shall not subsequently transfer any DOE-Controlled Information to any individual or entity who is in a country listed in 10 C.F.R. § 810.8(a) without prior written approval of the United States Department of Energy.

3. **Asociación Nuclear Ascó-Vandellós II, AIE** warrants that employees of **Asociación Nuclear Ascó-Vandellós II, AIE** who will have access to DOE-Controlled Information are made aware of and bound by these requirements.

Exelon requests that **Asociación Nuclear Ascó-Vandellós II, AIE** acknowledge agreement to the above by its official signature below. Then, please return to Exelon to the attention of Darin Benyak at the following address a copy of this letter as signed and agreed to: 4300 Winfield Road, Warrenville IL 60555, U.S.A.

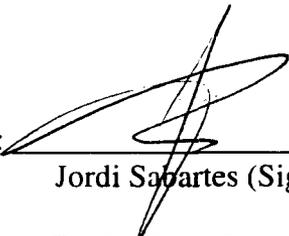

Sincerely,

  
John Hunter  
Limerick Regulatory Assurance Manager  
Exelon Nuclear

**RE: October 13-15, 2009 Visit to Limerick Nuclear Generating Station**

Dear Mr. Desbiens,

Exelon is pleased to have you visit our Limerick Nuclear Generating Station to observe management styles in connection with a nuclear plant management course sponsored by INPO. Please review this request and provide your signature of agreement and return to Exelon prior to entry into Exelon's Limerick Station.

In the course of your proposed visit, you may have access to certain proprietary technical data concerning the design, construction, maintenance and operation of nuclear power stations. Access to such information by persons who are not citizens or lawful permanent residents of the United States or transfer of such data to persons outside the United States comes within the scope of rules, codified at 10 CFR Part 810, promulgated by the U.S. Department of Energy ("DOE") concerning Assistance to Foreign Atomic Energy Activities. Such technical data and other information within the scope of such rules are referred to as "DOE-Controlled Information."

Your proposed visit noted above does not require a specific authorization, but comes within DOE's general authorization at 10 CFR Part 810.7(h).

In order to comply with United States Department of Energy regulations set forth at 10 CFR Part 810, Exelon requests that **Hydro Quebec** agree to the following prior to the proposed visit:

1. **Hydro Quebec** warrants that it shall fully comply with those rules promulgated by the DOE concerning Assistance to Foreign Atomic Energy Activities set forth at 10 CFR Part 810, as amended from time to time. Attached is a current version of the pertinent regulations.
2. **Hydro Quebec** agrees that it shall not subsequently transfer any DOE-Controlled Information to any individual or entity who is in a country listed in 10 C.F.R. § 810.8(a) without prior written approval of the United States Department of Energy.

3. **Hydro Quebec** warrants that employees of **Hydro Quebec** who will have access to DOE-Controlled Information are made aware of and bound by these requirements.

Exelon requests that **Hydro Quebec** acknowledge agreement to the above by its official signature below. Then, please return to Exelon to the attention of Darin Benyak at the following address a copy of this letter as signed and agreed to: 4300 Winfield Road, Warrenville IL 60555, U.S.A.
