U.S. Nuclear Regulatory Commission  
Commercial and R&D Branch  
Division of Nuclear Materials Safety  
Region I  
475 Allendale Road  
King of Prussia, PA 19406

Dear Sirs,

03020102

We are desirous of amending our U.S. Nuclear Regulatory Commission License #06-21253-01. For Items 11 and 14, please add the name of Mr. William Elliott. Mr. Elliott has completed the proper training. His certificate of training and a short biography listing his experience and proposed involvement with our program are attached.

As always, if I can be of any assistance during the review process please contact me personally at our main telephone number of (203) 265-5684.

Sincerely Yours,

Randy S. Stevens  
Radiation Safety Officer

William T. Elliott

Mr. Elliott has worked in the machine tool manufacturing industry his entire 30 + year career. His previous positions included machinist, machine shop supervisor and manufacturing methods engineer. He began work at I2S in March of 2006 as a manufacturing engineer. Bills current responsibilities include production control manager, management of the I2S general safety program as well as environmental compliance. Bills responsibilities regarding the I2S radiation program will be to assure that all manufactured components meet the requirements of design and inspection. Bill has successfully completed the 40 Hour Radiation Safety Officer Course. Copy of his certificate is attached.

This is to acknowledge the receipt of your letter/application dated

11/18/09, and to inform you that the initial processing which includes an administrative review has been performed.

Amendment (06-21253-01)  
There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

Please provide to this office within 30 days of your receipt of this card

A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned **Mail Control Number** 144302.
