

November 18, 2009

Director, Division of Nuclear Materials Safety
U.S. Nuclear Regulatory Commission (NRC) Region III
2443 Warrenville Road, Suite 210
Lisle, Illinois 60532

Dear Sir or Madam:

The St. Louis Office of Science Applications International Corporation (SAIC, St Louis) possesses Radioactive Material License 24-32591-01 which authorizes us to provide limited commercial radiation services. To date, use of this license has been limited to providing technical support to the U.S. Army for the characterization of the Jefferson Proving Ground, IN thus licensed materials are not currently possessed under this license.

This action is to advise NRC that SAIC, St. Louis has recently relocated to Suite 100, 13397 Lakefront Drive, Earth City, MO 63045. Request that NRC records be changed to reflect the new address.

Please contact the undersigned telephonically at (314) 770-3068 or by email at Dennis.R.Chambers@SAIC.com if there are any questions.

Sincerely,

Dennis R. Chambers, CHP
Radiation Safety Officer
