Dear Cindy,

I am trying to figure out exactly what you have sent to me regarding the additional Ultimate Consignees for this case.

License CBP25-b had ten (10) Ultimate Consignees

Proposed License PCB25b.03 (HES2615) originally was sent to OIP as two separate pages (containing 11 Ultimate Consignees). However, according to your cover letter (dated 10/14/09), you are requesting to extend the expiration date AND add CONSIGNEES to your license.

Are you adding one or more consignees (10 versus 11 is only one additional..not several), and please notice that the addresses do not read exact.

Please review and contact me.

Thanks!
