Mike,
As you know we are preparing Revision 2 to the BBNPP COLA. In order to get the packing slip finished we will need to provide a pointer to the Non-Public version of Revision 1 of the BBNPP COLA. We had updated that portion of the COLA in Rev 1 and will need the ML number for the packing slip. Since it is not available publicly, we have to ask for your assistance.
The file name is Part 09 Sensitive Information (non public version).pdf (or something very close).
Please let me know if you have any questions.

Kind regards,
Jim
