RE: Heart Care Imaging, Inc. - Response Letter
License Number: 08-31211-01
Control Number: 144230

Dear Dr. Roldan:

Pursuant to your email dated October 23, 2009, the following responses are submitted regarding our pending amendment request to name Dr. Anderson as an authorized user.

1. In regards to Gary R. Cooper, M.D. (Dr. Anderson's preceptor authorized user), we have received a confirmation letter from the University of Florida confirming his authorized user status. This document has been enclosed within Attachment A. Please refer to this correspondence for details.
2. We request that our byproduct material license be amended to name Michael W. Lairmore, M.S., as the administrative contact. Dr. Oskoui, the current administrator has prepared a letter requesting this change. This correspondence has been placed within Attachment A. Please refer to this section for details.

If you have additional questions, please contact me @ wmlairmore@optonline.net or (201) 693-2277.

NMSS/RGN1 MATERIALS-002

If you have additional questions, please contact me. I may be reached at (201) 693-2277.

We thank you in advance for your assistance with this pending licensing action.

Sincerely,

Michael W. Lairmore, M.S.

Michael W. Lairmore, M.S.

Re: Amend License #08-31211-01
Ramin Oskoui, M.D.

To Whom It May Concern:

Please amend the original radioactive materials license for Ramin Oskoui, M.D., to have Michael W. Lairmore, as Administrative Representative.

Please contact me should you have any questions concerning this request.

Best regards,

Ramin Oskoui, MD, FACC

MEMORANDUM

TO: Gary R. Cooper, M.D., F.A.C.C.
Clinical Associate Professor
Division of Cardiovascular Disease

FROM: Donald L. Munroe *Don Munroe*
Radiation Control Officer
Secretary, HURRC

SUBJECT: Authorized User Approval

The Human Use of Radioisotopes and Radiation Committee has reviewed your training and experience documentation and has granted its approval to your request for authorization to use radioactive materials in the practice of nuclear cardiology.

You are an authorized user under the University of Florida's Radioactive Material License 31-3 for the following:

1. 64E-5.627 for cardiac studies only (except generators and reagent kits)

Enclosed is an Information Notice issued by the Bureau of Radiation Control regarding the duties and responsibilities of an authorized user. If you have any questions about compliance please contact George Snyder, Asst. Radiation Control Officer (392-1589) or me.
