SUBJECT: REQUEST FOR LIST OF PLANNED TOPICAL REPORT SUBMITTALS FOR FY2010, FY2011, AND FY2012

Dear Mr. Coleman:

As part of our ongoing efforts to improve the effectiveness and efficiency of the topical report (TR) program, we are seeking up-to-date information on future TR submittals for planning and budgeting purposes. We request that you provide a list of planned TR submittals for FY2010, FY2011, and FY2012 (if available), including those that will be submitted for U.S. Nuclear Regulatory Commission (NRC) staff review, those that will be submitted for information only, and if they contain proprietary information. Additionally, please provide the estimated number of licensed facilities planning to use the approved TR and if fee exemption requests will be submitted under Section 170.11 of Title 10 of the *Code of Federal Regulations*. We request this information by December 24, 2009. Currently the NRC staff plans to request similar future updates at 6-month intervals to assist us in continually improving our utilization of resources. If you have questions regarding this request, please contact Michelle C. Honcharik on (301) 415-1774.

Sincerely,

/RA/
