Dara, Donna -

I'm getting up to speed today and I see that you've sent the impingement data we'd discussed. In order for us to use this information, we'll need it in the original (presumably MS Excel) format rather than PDF. Otherwise, we'll have to undertake a lengthy process of data entry and quality control checks to confirm that the data matches what you've supplied here.

Thanks, and please let me know if you have any questions.

Best,  
Drew
