SUMMARY

We have reviewed your license renewal application dated May 18, 2009, and find that we need additional information as follows:

1. In Item 3 of NRC Form 313, please withdraw your Maumee, Ohio location. This is not an NRC-regulated state.
2. Please verify that you are requesting only the Troxler 3400 series portable gauges.
3. Please provide the maximum number of these portable gauges you plan to possess in NRC-regulated states.
4. Campbell Pacific Nuclear (CPN) Model MC-series portable gauges and Troxler models 4640, 3565, and 3216 portable gauges were not addressed in this renewal application. Please clarify if these gauges will continue to be authorized on this license.
5. Also, if CPN portable gauges and Troxler models 4640, 3565, and 3216 portable gauges were possessed and you no longer want these authorized, please verify the disposition of these portable gauges including the final leak test of each gauge and acknowledgement of receipt from each licensed recipient.
6. In License Condition 12, it appears that Jeffrey D. McLeod was intended to be removed from your license on Amendment 03. We noted that his name still appears as an authorized user in License Condition 12 and there is no mention of him in your renewal application. Please confirm that we should delete Jeffrey D. McLeod from License Condition 12 and replace with Thomas E. Peters.

We will be unable to continue processing your request until we receive this information. In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Record (PARS) component of NRC's document system (ADAMS) accessible from the NRC Website at <http://www.nrc.gov/reading-rem/adams.html>.

ACTION REQUIRED

Please submit a written response within 30-days or contact me to arrange an alternate response date. Be sure to reference control number 318190 to facilitate correct processing of your response.

If we do not receive a written response within 30-days, please note that we may void this request in order to enable you to prepare a quality response without time constraints. Address your written response to my attention at the above address.
