Commitment Change for Submittal of Revision 1 of ANP-10304, "U.S. EPR Instrumentation and Control Diversity and Defense-in-Depth Assessment Technical Report"

Ref. 1: Letter, Sandra M. Sloan (AREVA NP Inc.) to Document Control Desk (NRC), "Response to NRC Review of ANP-10284, 'U.S. EPR Instrumentation and Control Diversity and Defense-in-Depth Methodology Topical Report' (TAC No. MD5884)," NRC:09:062, May 29, 2009.

In Reference 1, AREVA NP Inc. (AREVA NP) provided Revision 0 of ANP-10304, "U.S. EPR Diversity and Defense-in-Depth Assessment Technical Report," which was the result of converting ANP-10284 "U.S. EPR Diversity and Defense-in-Depth Assessment Topical Report" to a technical report. In addition, AREVA NP committed in Reference 1 to provide the results of the quantitative, confirmatory diversity and defense-in-depth (D3) analysis by the end of November 2009.

The purpose of this letter is to inform the NRC that Revision 1 of ANP-10304, "U.S. EPR Instrumentation and Control Diversity and Defense-in-Depth Assessment Technical Report," which will incorporate the results of the quantitative, confirmatory D3 analysis, will be submitted by December 4, 2009. Les Duncan and Sandra Sloan (AREVA NP) discussed this change in schedule with Mike Miernicki (NRC) on November 25, 2009.

If you have any questions related to this submittal, please contact me by telephone at 434-832-2369 or by e-mail at sandra.sloan@areva.com.

Sincerely,

A handwritten signature in cursive script that reads "Sandra M. Sloan".

Sandra M. Sloan, Manager
