Mr. David E. Tuttle
QA Manager
Anderson Greenwood Crosby
43 Kendrick Street
Wrentham, MA. 02093

SUBJECT: ANDERSON GREENWOOD CROSBY RESPONSE TO NRC INSPECTION REPORT 99900293/2009-201, NOTICE OF NONCONFORMANCE AND NOTICE OF VIOLATION

Dear Mr. Tuttle:

Thank you for your October 13, 2009, letter in response to the Notice of Violation (NOV), and your November 16, 2009, and November 18, 2009, letters in response to the Notice of Nonconformance (NON) that were discussed in the subject U.S. Nuclear Regulatory Commission (NRC) inspection report (IR). We also acknowledge your October 16, 2009, letter that requested an extension of 30 days to complete your responses to the NON, and find the rationale for granting that extension acceptable.

We have reviewed your letters and find that they are responsive to the NON and NOV documented in IR 99900293/2009-201. We have no further questions or comments at this time. We may review the implementation of your corrective action(s) during a future NRC staff inspection to determine that full compliance has been achieved and maintained.

Please contact Mr. Greg Galletti at (301) 415-1831 or via electronic mail at Greg.Galletti@nrc.gov, if you have any questions or need assistance regarding this matter.

Sincerely,

/RA/

Juan Peralta, Chief
Quality and Vendor Branch A
Division of Construction Inspection
& Operational Programs
Office of New Reactors
