

6.

ML091740324 VariSource Customer List (28 Suspect Sites)

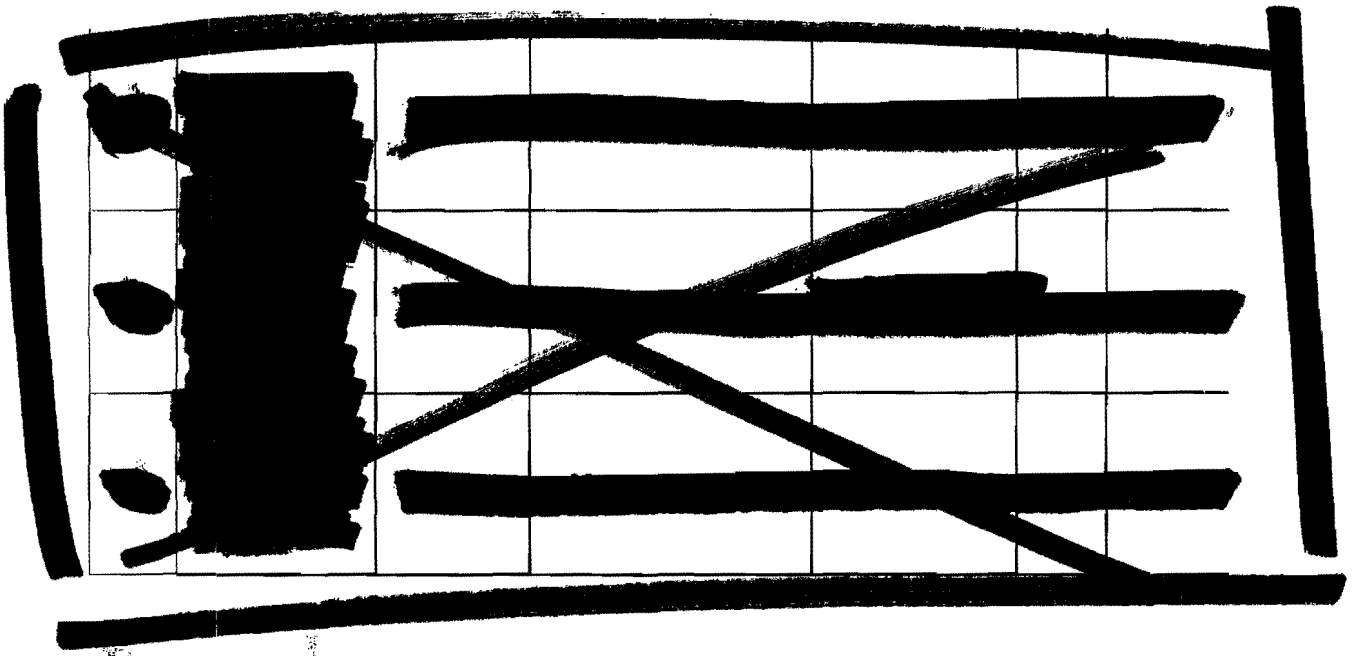

Attachment - VS 28 Sites

List of Affected VariSource Sites in the U.S.

Cited in the §21.21 and §30.50 filing

The table is a grid with 8 rows and 5 columns. All content within the grid is redacted with thick black bars. A large 'X' is drawn across the entire grid, indicating that the information is withheld or redacted. The redaction covers all text and symbols in the table.
