John (Richmond),

Thanks. Also, I am passing your comment along to John (Boska), the Indian Point PM, as well.

Attached is the draft letter to Rep. Markey on buried pipes at Indian Point that was requested by Luis during Bruce's VTC with the RAs and ODs. I have asked the Chairman's office for feedback on the tone and content of the letter and will share any insights that they provide with you. I will most likely not receive those insights until late this week or early next week.

If you have any questions, please let me know.
