Rich,

I just got these emails and the attachments. I think it may have gone to other B. Harris. I will take a look at this but may not be able to get a response back to you until tomorrow.

Rich, Rich, and Ron,

I'm fine with the e-mail below, but I think some of responses in the attachment that Rich Conte sent out Friday afternoon could use some re-work if you plan to send that as well. What schedule are you trying to meet? I'm trying to prepare for the Chairman brief on Wed.
