Mr. George T. Berry, Executive Director  
Power Authority of the State of New York  
10 Columbus Circle  
New York, New York 10019

Dear Mr. Berry:

By letter dated October 19, 1979 you were sent a copy of the ACRS letter dated October 12, 1979 which discussed the systems interactions study required on Indian Point Unit No. 3. We requested that you review the ACRS comments and be prepared to discuss them at a future meeting. We would like to have this meeting within the first two weeks of January 1980.

With the new emphasis being placed on reducing outstanding items on the high population facilities, Indian Point 2 and 3 and Zion 1 and 2, we feel this study should receive high priority. Please contact our Project Manager to arrange the date and time for this meeting.

Sincerely,
