United States Senate

COMMITTEE ON
ENERGY AND NATURAL RESOURCES
OFFICE OF THE CHAIRMAN
U.S. SENATE

December 1, 2009

The Honorable Gregory Jaczko
Chairman
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Dear Chairman Jaczko:

The Energy and Natural Resources Committee is holding a legislative hearing on December 15 on two bills, S. 2052, "The Nuclear Energy Research Initiative Improvement Act of 2009," and S. 2812, "The Nuclear Power 2021 Act". It is my understanding that you will not be able to present testimony on these two bills but that a NRC staff member will be a witness. I would like to request that in preparation for the hearing that the NRC provide written comments on these two bills and that these comments be available with other written testimony for the committee to consider on December 15.

Please call Dr. Jonathan Epstein, 202-224-3357 or Ms. Rosemarie Calabro, 202-224-5039 for any additional questions you might have. I thank you for your time in this matter.

Sincerely,

Jeff Bingaman
Chairman
