

2009 Verification Monitoring Report for the Old and New Rifle, Processing Sites

The U.S. Department of Energy (DOE) has prepared a verification monitoring report that evaluates the groundwater and surface water monitoring collected during the annual 2009 sampling event that was conducted at the Old and New Rifle, Colorado, Processing sites in 2009. The *2009 Verification Monitoring Report for the Old and New Rifle, Colorado, Processing Sites* is available for your review on the Internet at the DOE Legacy Management (LM) website – www.LM.doe.gov.

From the LM website home page, select the United States map icon titled Legacy Management Sites. Then select Rifle Old Processing Site or Rifle New Processing Site from the drop-down list. The report will be available on the Rifle pages of the LM website under Site Documents and Links.

If you would like to receive a printed copy of this document, please fill in the information on the attached postage-paid postcard, detach at fold, and return by mail.
