Management Personnel Changes

Dear Sir:

The purpose of this letter is to inform you of recent organizational changes of the New York Power Authority and to transmit updated personnel correspondence distribution lists for the Indian Point 3 (IP3) and James A. FitzPatrick (JAF) Nuclear Power Plants.

Mr. John C. Brons has been appointed President of the New York Power Authority. Mr. Brons assumed the responsibilities of that office on April 1, 1991. As you know, prior to April 1, 1991 Mr. Brons served as the Executive Vice President of Nuclear Generation. Please address all communications and correspondence previously addressed to the attention of Mr. J. P. Bayne to the attention of Mr. John C. Brons.

Mr. Ralph E. Beedle has been named Executive Vice President of Nuclear Generation. Mr. Beedle was previously Vice President of Nuclear Support. Please address all communications and correspondence previously addressed to the attention of Mr. John C. Brons to the attention of Mr. Ralph E. Beedle.

The attached updated personnel correspondence distribution lists for IP3 (Attachment I) and JAF (Attachment II), reflect the organizational changes described above. The lists have also been updated to correct some miscellaneous discrepancies and to delete the names of those individuals who are included on the Authority's internal distribution lists. Since these individuals do receive internal copies of NRC correspondence, their names may be removed from the NRC service list.
