Leslie,

I called your office today to inform (however you were not there. Mr. C. Brinkman asked me send you an E-mail) that we will be visiting the Westinghouse-Twin brook office tomorrow (11/17) to review the WEC chemical calcs. We expect to be there about 01:15 pm.

Amy,

I got your phone message related to the proposed conference call on Monday for License conditions 6 and 8. At this time, I would like to postpone the call. I was sick for last few days. I will be back in the office on Monday.

Sorry for the inconvenience.

Ravi Joshi

Ravi,

I have confirmed the WEC chemical calcs are available in the WEC Twinbrook office for review. Please have the reviewer contact the office in advance to ensure there is adequate space available for the day he would like to come in.

Also, please ensure the reviewer understands he is not allowed to copy or remove the information from the office.

WEC Contact information:
Leslie Collins

12300 Twinbrook Parkway, Suite 330
Rockville, MD 20852
Tel. (301) 881-7040

Please let me or Wes know if you need additional information. The WEC calculations will be available for the next two weeks. Let's discuss setting up the follow-up call to our last call when you get back on Friday.

Thanks,
Amy A.
