Tom / Janelle,

FYI, see update below on the Commonwealth of VA status of FEMA O/I's. It appears FEMA Region III has not formally notified FEMA HQ of the status of all remaining O/I's. Have you heard any feedback from Kevin regarding communications from FEMA to the NRC? Do we need to setup a call with all parties and discuss strategy to close O/I's and support NRC review schedule?

Please advise. Thank !!

John

John,

Joe called me last Friday and indicated that he was not going to be able to get the letter to FEMA HQ by Nov 16 as he had planned and that he would be out all this week at an exercise for Limerick. He did tell me that they were satisfied with the RAI submittal and were going to close them out. He did not give me a date and I did not ask.

I will check in with him again on Dec 1st as I'm on vacation all next week.

Happy Thanksgiving!

Hi Susan,

Just wondering if you have heard anything regarding closing out the open items from Region III and Joe formally or informally? Thanx !!

John
