General Steel Industries  
1417 State Street  
Granite City, Illinois 62041

Attention: Mr. W. H. Rapp

Gentlemen:

This refers to your application dated January 21, 1965, for renewal of Byproduct Material License 12-8271-1. Your application has been timely filed and the license will not expire until final action has been taken on the application.

Prior to continuing review of your application, we shall need clarification of the names and the training and the experience of the individuals who will conduct each phase of your radiography training program, including initial, on-the-job and periodic training. Your January 21 application indicates that the program will be conducted by individuals who are no longer associated with General Steel Industries. Further, the application does not specify which phase or phases of the training program will be conducted by each individual.

Very truly yours,

William O. Miller
