Dear Mr. DeLaBarre:

Enclosed is an application (XR169) from Westinghouse Electric Company, requesting a license for authorization to export to China 4 pressurized water reactors of 1000 MWe class, equipment, replacement parts and components under 10 CFR Part 110 Appendix A (1) through A (9) and associated equipment and engineering services needed for construction, maintenance and operation of the facilities.

Please note that additional information from the applicant (also enclosed) is marked "**PROPRIETARY.**" The NRC will not include this information in the public record and requests that the Executive Branch Agencies protect it as well.

Before taking action on this request, we would appreciate your views in accordance with established procedures and from the overall perspective of the Executive Branch, as to whether the requested export meets the applicable criteria in the Atomic Energy Act of 1954, as amended.

Sincerely,

/RA/

Edward T. Baker, Deputy Director  
Office of International Programs
