Ms. Vietti-Cook:

Thank you for the extension of time to petition for hearing in the matter of Nuclear Fuel Services' 40-year-license renewal. However, the family health issues that precipitated our request for an extension have not resolved. Therefore, we will not be petitioning for hearing.

We thank NRC staff -- especially Ms. Barkman, Ms. Giitter, and Mr. Valenzuela -- for their assistance with the petitioning process.

A signed original of the attached letter will be sent to you today via US Mail.

Thank you,

Linda Cataldo Modica - Sierra Club Nuclear Issues Activist Team  
Barbara A. O'Neal - Erwin Citizens Awareness Network
