Subject: 12/17 Telecon and COM 3A-1

John,

Jim Strnisha is available on Thursday, 12/17 for a telecon on the Chapter 3.11 discussion. The purpose of this telecon is to re-cap the audit performed on 11/10 and 11/11. You should be receiving the audit report now.

The second item is during the July public meeting on seismic issues, STP referred to COM 3A-1 (p. 52 of the presentation). I've never seen this commitment anywhere (all revisions of the FSAR) except the departure report (p. 2.1-34). But COM 3H-2 seems to be describing the same context. Can you shed some light on this commitment?

Thanks

Tom Tai
