Re: SONGS Nuclear Safety Concerns  
ALLEGATION 082409

Dear Sir:

We know of a recent case where an individual with a previous arrest record for possession of marijuana was hired for employment at SONGS (San Onofre Nuclear Generating Station). This individual did plead guilty to the charges of marijuana possession. Is it permitted under the NRC regulations for this individual to be hired for employment at SONGS? Thank you for your response.

Sincerely,

Glen R. Mills
