FOIA/PA REQUEST

Case No.: 2010-0070
Date Rec'd: 12-16-09
Specialist: Culleen
Related Case: _____

Dear Sir/Madam:

This is a request under the Freedom of Information Act (5 U.S.C. 552). In connection with a research project that I am working on, I would appreciate personnel counts for certain NRC investigative occupations (which the OPM does not parse by specific NRC office) in the Central Personnel Data File), as follows:

Annual, end-of-fiscal year (30 Sept) counts for FY08 and FY09 for these occupations:

- 0080
- 0085
- 1801
- 1802
- 1810
- 1811

And, please indicate which office each count belongs to, such as:

- Office of Inspector General
- Office of Investigations
- Etc.

In order to help you determine my status for the purpose of assessing fees, you should know that I am an academic researcher, and this is for an academic research purpose.

I am affiliated with an educational or non-commercial scientific institution, and this request is made for a scholarly or scientific purpose and not for commercial use.

I am willing to pay fees for this request up to a maximum of \$50. If you estimate that the fees will exceed this limit, please inform me first.

I do, however, request a waiver of fees for this request because disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to the public understanding of the operations or activities of the NRC and is not primarily in my commercial interest. Although any information provided will not be directly disclosed to other parties, a version of it may, or may not be distilled for publication at a later date.

I also include a telephone number at which I can be contacted if necessary to discuss any aspect of my request.

Sincerely,
