Don/John,

Please correct the 04_CPNPP_EPlan 2of2, because as it is missing Hidden Text (images 14 thru 37 imported text no HT) for public and non public DVDs.

The attached file deals with MHI not using a packing slip for DCD.

thanks,

Stephen,

Please have the Licensee correct the issue with the packing slip as described in the attached document. At the same time, please have them correct the PDFs (both in the Public and Non-Public disks), 04_CPNPP_EPlan 2of2, because they are missing Hidden Text (images 14 thru 37 imported text no HT - need to be OCR'd).

Thanks,

Kenny Nguyen
