Subject: Telecon for RAI #70 (3295) EALs -section 13.3

Hi Don,

I need to set up a short telecon with Luminant next week to discuss the following:

The staff has reviewed the CP RAI #70 (3295) response pertaining to Emergency Action Levels (EALs) and finds that additional information is still needed and a supplement to the original RAI response may be necessary. In particular, we will discuss Luminant's approach to Critical Elements 2 and 3 of the RAI.

Please let me know what dates and times work best and I'll setup the call.

Thanks,

Michael Takacs
