Re: Amendment for NRC Materials License # 06-17892-01

07013596

Dear Sir or Madam:

The following items are submitted for your review and approval as an amendment to New Milford Hospital's NRC Materials License. The Radiation Safety Committee has approved these items for submission to your agency.

ITEM 1

An additional Authorized Medical Physicist will be added onto the license for the services offered in the Radiation Oncology Department:

Leonid Massaraski, DSc. He is currently an authorized medical physicist for HDR on license 06-08349-04(Charlotte Hungerford Hospital, Torrington, Ct.).

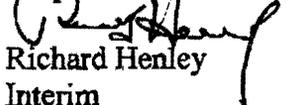

The authorization should include Ir-192 for the HDR unit. Lee Anne Zarger, MS, Authorized Medical Physicist will give the device specific training.

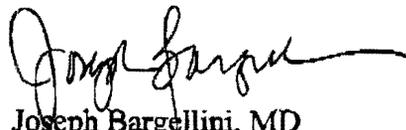

ITEM 2

We are also adding an additional authorized user physician: Elizabeth Whalen, M.D. She is also on license # 06-08349-04(Charlotte Hungerford Hospital, Torrington, Ct).

We request that your offices review our application and inform us of your evaluations in as brief a time as possible. Should you have any questions or desire additional information regarding our intended services, please contact Lee Anne Zarger, MS, Medical Physicist at 860-210-5022.

Respectfully submitted,

Richard Henley
Interim
President and CEO
New Milford Hospital

Joseph Bargellini, MD
