Indian Point Station
File No. 2-177
June 28, 1973

Mr. Paul Collins, Chief
Operator Licensing Branch
Directorate of Licensing

Dear Mr. Collins,

The candidate for Operators and Senior Operator license on Indian Point Unit No. 2 reactor received the following amount of experience in observing and participating in critical operations.

	<u>Hours of Experience</u>	<u>No. of Startups</u>
Ralph Orzo	240	3
William E. Watson	272	5
Melvin N. Hayes	166	5
Ronald E. Burdge	120	3
Russell Astrab	248	3

The startups listed are those in which the candidate actually manipulated the reactor control rods under the direction of a licensed operator.

Ronald E. Burdge
