Director of Nuclear Reactor Regulation
ATTN: Victor Stello, Jr., Director
Division of Operating Reactors
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Stello:

This is to advise you that recent correspondence from your office has a typographical error in the docket number for Indian Point Unit No. 2. The correspondence indicates Docket No. 50-274 while the correct number is 50-247.

In addition, we suggest that your distribution be updated. By letter dated September 23, 1977 (copy enclosed), Messrs. Joseph D. Block and Edward J. Sack, 4 Irving Place, New York, New York 10003, were substituted as counsel in lieu of Mr. Leonard M. Trosten.

Also, it would no longer appear appropriate to send copies of all correspondence to Messrs. Roisman and Shemin and Ms. Chasis since that distribution stems from the operating license proceeding which has long since been concluded.

Very truly yours,

William J. Cahill, Jr.
Vice President
