Washington, D.C. 20590

SUBJECT: ACKNOWLEDGMENT LETTER - RECEIPT OF REQUEST FOR REVIEW

Dear Mr. Boyle:

By letter dated November 18, 2009, the Department of Transportation submitted a request for review of the French Certificate of Approval No. F/347/AF-96, Revision Ci, for the Model No. FCC-3 package.

This letter acknowledges receipt of your request for review and informs you that the request appears to contain the necessary information to begin our technical review. We have established a schedule for the completion of the technical review. The schedule allows for the staff to issue a possible request for additional information (RAI) in June 2010. If no RAI is needed, and based on the staff's evaluation, we may provide a revalidation recommendation at approximately that time.

Please reference Docket No. 71-3083 and TAC No. L24394 in future correspondence related to this revalidation action. If you have any questions regarding this matter, you may contact me at (301) 492-3408.

Sincerely,

/RA/

Pierre M. Saverot, Project Manager  
Licensing Branch  
Division of Spent Fuel Storage and Transportation  
Office of Nuclear Material Safety  
and Safeguards
