Dear Mr. Reid:

Your letter of February 16, 1977 requested additional information concerning the results of our loose parts monitoring program and cycle 2 startup physics test for Indian Point Unit No. 2. The answers to the questions enclosed with your letter are included as Attachment A to this letter.

Should you or your staff have any further questions regarding the loose parts monitoring system or the cycle 2 startup physics testing, we would be pleased to discuss them with you at your convenience.

Very truly yours,

  
William J. Cahill, Jr.  
Vice President
