Subject: Status update for revised Certification of Financial Assurance
(NOTE: This will be used as the Documents Title in ADAMS)

I spoke with David Burton to ascertain where they were in revising their Certification of Financial Assurance. He said that the CFA had been revised and was being reviewed by the appropriate personnel. He explained that the Major General was being very cautious and was reviewing all of the supporting documentation. He initially had hoped to have the documentation back to us before Christmas, but now he does not have a timeframe of when the documentation will be signed. I asked him to let us know when he gets an idea of when this will be completed.
