Dear Mr. Barker:

Enclosed is the Emergency Operations Plan for the State of Minnesota, dated September 1, 2009. Also included are copies of the Emergency Response Plans for Sherburne, Dakota and Goodhue Counties, dated October 2009 and Wright County dated December 2009. Sherburne and Wright Counties lie within the Monticello Nuclear Generating Plant's 10-mile emergency planning zone, and Dakota and Goodhue Counties lie within the Prairie Island Nuclear Generating Plant's 10-mile emergency planning zone. A complete set of maps for both Monticello and Prairie Island, which have been updated for population changes and clarity, are also included.

We request that you review this material for conformity to Title 44, Code of Federal Regulations, Part 350, and the requirements in NUREG-0654. Please provide written comments regarding your review to FEMA, Region V, by January 22, 2010. Please retain the prior approved plan sections until all Regional Assistance Committee members have provided us with their review comments. At that time we will notify you of our findings concerning final approval, and provide updating instructions.

If you should have any questions, please contact me at 312-408-5575 or David Ortman at 312-408-4429 and/or Edward Golinski at 312-408-5353.

Sincerely,
