INDIAN POINT 2

Upton told me today that topics he wished to discuss with you next week with respect to the Indian Point 2 review and hearing included the following:

1. The possibility of earlier than usual (i.e., special effort by the staff) completion of our safety evaluation.
2. Limitation of issues for the hearing.
3. If more than 2 ACRS meetings required, or later than September meeting, special sessions to expedite review.
4. Preference for Indian Point 2 hearing before Indian Point 1.
