Re: Consolidated Edison Co.  
Docket No. 50-247

Dear Mr. Swanson,

All arrangements are complete for the use of the Buchanan Engine Company hall. I have arranged for the five (5) microphones and amplifier system as shown in the sketch you mailed to me. This will be available for both the pre-hearing and hearing dates.

I am enclosing two maps; one a regular road map on which I have circled the location of Buchanan and the other, a sketch showing the location of the firehouse.

I would also like to be placed on the agenda of the hearing to speak in favor of the proposed installation.

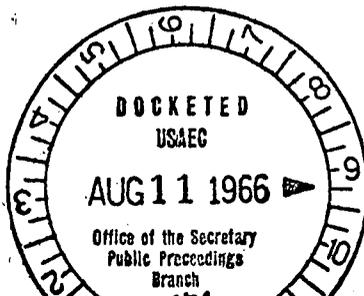

If you have any further questions, please contact me or Mr. Monroe, our Village Clerk, at 914 PE 7-1033.

Very truly yours
