

FEB 24 1970

Dr. Nathan M. Newmark
1114 Civil Engineering Building
University of Illinois
Urbana, Illinois 61801

Dear Dr. Newmark:

Contract AT(49-5)-2667

This refers to letters listed below concerning the maximum amounts payable to your firm by the Commission in connection with reviews of a construction permit application for the FitzPatrick plant, an operating license application for the Indian Point 2 plant, and post-construction permit effort for the Hatch reactor.

Due to required interim evaluations and applicant conferences on both informally and formally submitted information concerning the dynamic response of selected equipment, the maximum amounts payable to your firm for these projects are increased as follows:

FitzPatrick (Docket 50-333)
Reference letter of 1/20/69
Increase funds from \$5,000 to \$6,500.

✓ Indian Point 2 (Docket 50-247)
Reference letter of 10/23/68
Increase funds from \$6,000 to \$8,000.

Hatch (Docket 50-321)
Reference letter of 1/12/70
Increase funds from \$750 to \$1,750.

Sincerely,

Original Signed by
Peter A. Morris
