SUBJECT: U.S. ENVIRONMENTAL PROTECTION AGENCY, REVIEW OF FINANCIAL
ASSURANCE SUBMITTAL, CONTROL NO. 143860

Dear Mr. Kelly:

We have reviewed your Statement of Intent dated December 17, 2009, and Certification of Financial Assurance dated December 17, 2009, to meet the financial assurance requirements of your license. We have no further questions concerning your financial assurance at this time. Please note, however, that should you make a change in your license requiring a change in the Certification of Financial Assurance, the item listed under special nuclear material: "Any byproduct material with Atomic Nos. 1 through 96 inclusive, except as specified below" should be deleted. By definition, this item only authorizes byproduct material not special nuclear material.

The above Statement of Intent supercedes the Statement of Intent dated April 2, 2008. The following documents currently provide your financial assurance:

Statement of Intent dated December 17, 2009 (ML093620079), and
Certification of Financial Assurance dated December 17, 2009 (ML093620076).

Thank you for your cooperation.

Sincerely,

Original signed by Steve Courtemanche
