Mrs. Ray Winter, Librarian
Hendrick Hudson Free Library
31 Albany Post Road
Montrose, New York 10548

Dear Mrs. Winter:

This will confirm our recent telephoned arrangements. We will send you copies of pertinent papers and a copy of the transcript of the proceedings as they become available. The material supplied will concern the application for Atomic Energy Commission permits by Consolidated Edison Company of New York, Docket Nos. 50-3, 50-247, 50-286, 50-342 and 50-343.

Some of the material will be forwarded in multiple copies. Would you please arrange to retain one copy for your file, passing the surplus to those who may request them.

It would be appreciated if your file copies and transcripts were not circulated outside your facility until final adjudication of the application has been completed.

There is no prohibition on the material being copied with the single exception that the transcripts may not be reproduced.

Thank you for your courtesy and helpfulness.

Sincerely yours,

Clark V. Swanson
