Dear Mr. Kinneman,

Subject: Enforcement Conference 8 December 1994

During the subject meeting, NMI was asked to provide the following documents which were part of our general discussion.

- 1) A section of the Defense Logistics Agency (DLA) manual containing reference to "abandonment of hazardous property."
- 2) A copy of an Army contract with NMI which we referred to as it pertains to the holding basin and other government furnished materials at our facility.

These documents are attached to this letter.

We will be responding to your most recent letters (dated December 5 & 7) in early January and await a copy of the Enforcement Conference transcript as requested through Ms. Miller of your staff.

We welcomed the opportunity to meet with you and Mr. Hehl during your visit to Concord on Tuesday. We were pleased that you both took time out of your busy schedules to tour our plant and talk with our senior management staff.

Enclosures/ as stated

Sincerely,

Frank J. Vunibaco
Vice President, Health and Safety
