

**AGENDA FOR “TIGER BEETLE” SITE MEETING  
CALVERT CLIFFS NUCLEAR POWER PLANT – UNIT #3  
April 7, 2009**

**Meeting Goals/Objectives**

- 1. Clarify proximity of beetle habitat\* to planned project activities.  
(\*adult and larval)**
- 2. Resolve all outstanding issues relating to finalizing the DEIS.**
- 3. Gain understanding of USFWS opinion for potential project impacts in the vicinity of the barge dock, Camp Conoy demolition and proposed stream restoration activities.**

**Tuesday, 4/7/2009 Meet at UniStar Office next to Visitors Center**
