Dear Mr. Baughman:

This is in reference to your letter that was submitted to Chairman Jaczko of the U.S. Nuclear Regulatory Commission on November 6, 2009. Your petition has been docketed pursuant to 10 CFR 2.802 to recognize your request for amendment of the Commission's regulations and/or guidance to improve the labeling and accountability of tritium exit signs. Your petition has been assigned Docket Number PRM-32-6.

The enclosed notice acknowledging receipt of the petition and requesting public comment will be published in the *Federal Register*. As staff review progresses on your petition, it may be necessary to request additional information. Please reference the assigned docket number on any correspondence you may have concerning the petition. Any questions regarding this action may be directed to Betty Golden of my staff at 301-492-3669. Upon expiration of the comment period, we will provide you with copies of any comments that have been received in response to the notice of receipt for your petition for rulemaking.

Sincerely,

RA
