Total	5,306	3,783	32,319	9,307	1,623	851	863	1,867

1/: Physicians and Dentists are included in their primary practice county as well as in any county in which they have a secondary private practice location. However, they are counted only once in state totals; therefore, the sum of the county totals will not equal the sum of the state totals.

2:/ Numbers are for 2003.

3:/ Totals for Respiratory Care Practioners include Federal employees.
