Good Afternoon John & Charles:

Yes I know, unfortunately I am at work today but I am grateful that our management is going to let us leave 2 hrs early today.....Yeah!

Regarding your amendment request dated October 5, 2009, to add a proposed storage location, please clarify if you will be dispatching work from this proposed storage location.

Upon clarification of the above, I will be able to complete the processing and issue this amendment.

Thanking you in advanced for your prompt response to this action.

Have a safe & prosperous New Years Day & New Year's Weekend!

Subject: Amendment Status

Good Morning Jackie,

I was wondering if you can let me know the status of two license amendment requests for license 05-29252-01. The first request, submitted on September 3, 2009, was for a change of RSO. The second request, submitted October 5, 2009, was for the addition of a storage location to the license.

If you have any questions regarding either of these requests please don't hesitate to call or email. We are hoping that both amendment requests can be approved in a single update to the license.

Regards,

John Cash
