Please find attached a corrected copy of the certificate of service to substitute for my earlier submission. This one states "BEFORE THE BOARD" and also lists all those I emailed who do not use the E-Filing System.

Thank you

Colonel Herring:

We have received through the E-filing submittal system a copy of your response to the Atomic Safety and Licensing Board's Order of December 17, 2009, in the U.S. Army Installation Command proceeding. We are providing this email to let you know that your pleading was captioned "Before the Commission" and not "Before the Board". Also, there is a requirement of the Atomic Safety and Licensing Board Panel that E-filing submissions include a full service list of proceeding participants. Kindly provide the Office of the Secretary a Certificate of Service indicating that other participants in the proceeding who at this point can only receive filings by email, have in fact been served. As an alternative, it would be acceptable to refile your submission via the E-filing system with a correct caption "Before the Board" for this proceeding and with an attached service list similar to the one being provided with this email. If you do refile, the docket date for your original filing will be honored by the Office of the Secretary.
