Mr. Couture,

Based on the information provided in your email request, I approve the thirty day extension for the response to U.S. Nuclear Regulatory Commission Inspection Report No. 70-1151/2009-204 and Notice of Violation, Dated December 18, 2009. The new date is February 4, 2010. Please contact Glenn Tuttle on my staff if you have questions regarding the NOV. Chris Ryder, Licensing Project Manager, can also assist as necessary.

Your email request and this response will be docketed and, in accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of these emails will be made publicly available in the public electronic reading room of the NRC's Agencywide Document Access and Management System (ADAMS).
