SUMMARY

We have reviewed your amendment request dated September 16, 2009, and find that we need additional information as follows:

1. Please verify that the 2521 Glenn Hendren Drive location is to be removed from your license.
2. Please verify that there is no change in ownership, only a change in name.
3. From your submitted close-out surveys and wipe test results, please clarify the following:
 - a. Equation used to determine that the wipe contained no activity;
 - b. The net cpm results and efficiency of your counting instrument;
 - c. The wipe test results are missing for the camera room;
 - d. The grid numbers are missing for the camera room and hot lab.
4. Per my telephone conversation on December 4, 2009, with Mike Feldkamp, sealed sources were stored in the use area. In order to release as an unrestricted area of use, please provide the most current leak test results for your sealed sources.

We will be unable to continue processing your request until we receive this information. In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Record (PARS) component of NRC's document system (ADAMS) accessible from the NRC Website at <http://www.nrc.gov/reading-rem/adams.html>.

ACTION REQUIRED

Please submit a written response within 10-days or contact me to arrange an alternate response date. Be sure to reference control number 318564 to facilitate correct processing of your response.

If we do not receive a written response within 10-days, please note that we may void this request in order to enable you to prepare a quality response without time constraints. This would be done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

Please note that a "Void" is an administrative procedure that puts your amendment request "On Hold" (takes it out of our active casework database) until you reactivate it via submission of a written response.

Upon receipt of your response we will resume our review.

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9892.
